Reference: E-TABLE_2201

Name: E-TABLE - Double desks with electric height adjustment

E-TABLE double desk with an electric height-adjustment system, allowing users to change the position of the desk to work sitting or standing. It is the perfect solution for good postural health. Alternating between both positions during the working day is not only beneficial for health, but also boosts productivity and creativity.
Motorised system in accordance with EN 62233:2008, to meet the most demanding work needs. 25 mm thick melamine desktop with 1 mm PVC edging. Desktop finishes available in beech, grey, white, oak and anthracite. Double steel tube and sheet frame with RAL 9003 epoxy finish, with a three-stage column adjustable in height (minimum 620 mm – maximum 1260 mm) by means of an electric adjustment device, to reach the desired working height quickly and easily. Includes levelling feet with height adjustment of up to 2 cm.

Main materials
Steel tube and sheet steel frame construction.
25 mm thick melamine worktop.
1 mm thick PVC edge banding.
Electrical components compliant with EN 61000-3-3:2013.
