

Reference: RD-6702

Name: Frameless magnetic glass board

Whiteboard made of 4mm tempered glass, magnetic, frameless, with a 25-year warranty, featuring an elegant design and high functionality. Perfect writing and erasing thanks to its surface treatment, allowing for easy cleaning and writing, achieving more cleanliness than traditional whiteboards. Surface suitable for writing with dry-erase markers. Fixed with metal rails.

Main materials

Surface made of 4mm thick tempered glass
Back made of 0.5mm galvanized steel sheet
Metal fastening system

Main features

Erasable surface with a 25-year warranty
Fixing by means of a rail system
Fixing screws included
Consult for measurements / special customizations
