

Reference: MGN-B

Name: MAGNUM B mobile module with coat rail

The Magnum B module is the perfect solution to maintain order and functionality in your space. Equipped with a cylindrical rail for hangers, it allows garments and accessories to be organised in style. Its minimalist structure and high-quality finishes make it an ideal complement for offices, changing rooms or reception areas, providing practicality without compromising design.

Main materials

Support feet made of 3 mm thick sheet steel.
Cross braces made of 1 mm thick sheet steel.
Inner panels made of 19 mm thick melamine.
Clothes rail made of 25 mm diameter steel tube.
Castors made of engineering plastic.

Main features

Robust construction with high mobility.
Frame with a lower level for organising and transporting items.
Clothes rail with high holding capacity.
Heavy-duty castors (diameter 75 mm) with locking brake.
