

**Reference:** MGN-C

**Name:** MAGNUM C mobile module with 65" monitor stand

Designed for dynamic and collaborative environments, the Magnum C module features a robust metal structure supporting monitors up to 65". Ideal for presentations, videoconferences or interactive spaces, it ensures stability and easy transport thanks to its lockable castors. Its elegant design integrates perfectly into modern offices, enhancing visual communication and productivity.

#### **Main materials**

Support feet made of 3 mm thick sheet steel.  
Cross braces made of 1 mm thick sheet steel.  
Inner panels made of 19 mm thick melamine.  
TV bracket made of 3 mm thick sheet steel.  
TV bracket support structure made of steel tube (25 x 25 mm).  
Castors made of engineering plastic.

#### **Main features**

Robust structure with high mobility.  
Frame with a lower shelf level for organising and transporting items.  
Bracket for 65-inch monitors.  
Heavy-duty castors (diameter 75 mm) with locking brake.
