Name: MYRK20 high office tables

The MYRK high table brings functionality and design to collaborative spaces and open areas. With more compact dimensions, it is perfect for informal meetings, dynamic work or coworking areas. Its refined top combines with solid wood legs that convey warmth and stability. The elevated height promotes active interaction and flexibility in modern environments.

Main materials

Tabletop made of 25 mm thick melamine with 1 mm thick PVC edge.

Side legs made of recycled tropical wood, characterised by high dimensional stability and durability.

Central cross members made of rectangular-profile steel tube.

Main features

Frame with solid, elegant and functional design.

High frame available in different formats for individual or group workstations.

Ideal for standing work or use with bar stools, for catering areas, coworking spaces, etc.

Other versions of the frame on request.
