Video

NATURAL range rotating movable stand, with double-sided whiteboard with melamine base included. The lacquered surface is ideal for dry erase markers.

The metallic CURVE support (a designer, ergonomically shaped, curved structure) features the new FREE ROTATION system, which allows for safe rotation of the whiteboard when flipping sides while avoiding swinging or vibration while writing. Tray for writing utensils included, designer wheels with brakes. Easy assembly.

Main materials

Main surface made in steel sheet of 0,6mm thickness
Melamine support of 19mm thickness
Vertical Lateral leg made in steel tube of 60x30mm
Horizontal lateral leg made in steel tube of 60x30mm
Beam made in steel tube of 40x20mm
Tray made in steel sheet of 1mm thickness
Free rotation system made in technical polymer

Main features

Suitable for writing with dry-wipe marker
Free rotation system 360°
The rotation system allows to avoid damage the whiteboard
