Name: Revolving support

Video

Ergonomically designed movable revolving supports. They feature a new FREE ROTATION system, which allows for safe rotation of the whiteboard when flipping sides while avoiding rocking or vibration while writing. Its new curved design allows it to be used in a more comfortable position for the user. Includes a tray for writing utensils and stylish wheels with brakes. Its telescopic structure allows for boards from 120?cm up to 200?cm in length. Easy assembly. Whiteboard not included.
