

Reference: SKIN_DUO

Name: Skin DUO

Skin DUO is a frameless modular board with magnetic fixing, available in 200 x 100 cm or 240 x 120 cm depending on the model. It allows large writing surfaces by joining modules vertically or horizontally, adapting from a single unit to covering an entire wall. Its finishes and accessories enhance its functionality.

Compatible with dry erase markers, it facilitates color-coded organization, space customization, and improves information visibility, bringing a modern and contemporary style to any environment.

Main materials

Surface made of 0.7 mm thick steel sheet
Tray made of 0.7 mm steel sheet
Fixing with magnets. Patented system
Back made of 0.6 mm steel sheet
Installation template made of cardboard

Main features

Modular board without perimeter frame
Vertical and horizontal fixing
Allows paper accessory RD-6430
