Reference: SKIN_MATT

Name: Skin MATT

Skin MATT is a frameless modular board and multifunctional panel with magnetic fixing, allowing vertical or horizontal compositions from a single unit to covering an entire wall. Its finishes and accessories enhance its functionality.

Thanks to its matte finish, it can be used as a projection screen and is fully compatible with dry erase markers. It offers easy erasing and efficient maintenance, with high alcohol tolerance for cleaning and simple care using dedicated cleaning sprays.

Main materials
Surface made of 0.7 mm thick sheet steel
Shelf made of 0.7 mm thick sheet steel
Fixing by means of magnets (patented system)
Back panel made of 0.6 mm thick sheet steel
Mounting template made of cardboard

Main features
Modular board without surrounding frame
Vertical and horizontal fixing
Matt surface that allows simultaneous projecting and writing
Suitable for paper holder RD-6430
