Name: Skin MUSIC

Video

Skin MUSIC is a modular whiteboard and multifunctional panel that, thanks to its modern frameless design and magnetic attachments, allows it to be placed vertical or horizontally, making infinite compositions possible, expanding according to your needs, from a single unit to a whole wall. In addition, its finishes and accessories increase its functionality with multiple uses.

Thanks to its new pentagram finish and the modularity of the SKIN system, the Skin MUSIC system stands out as one of the best tools for studying and creating all kinds of music. Its pentagram finish is fully compatible with dry erase markers.

Main materials

Surface made of 0.7 mm thick sheet steel
Shelf made of 0.7 mm thick sheet steel
