Reference: SKIN_MUTE

Name: Skin MUTE

Skin MUTE combines design and acoustic comfort. Made from a 9?mm PET sheet and MDF slats with a rectangular section, it brings warmth and functionality. Its minimalist aesthetic integrates seamlessly into modern environments and perfectly complements the rest of the Skin program. Thanks to its SKIN BITS accessories, functionality is maximized.

Main materials

Back panel made of 9 mm thick PET material.
Slats made of 12 mm thick MDF with PVC surface coating.

Main features

Acoustic panels for easy installation.
Mounting system depending on the intended use; please consult your specialist installer.
Perfect complement to the SKIN collection.
Available accessories: coat hook, shelf, metal panel. Design your office exactly according to your needs.
