Video

Skin PRO-DUO is a 200 x 100 cm modular board made up of two 100 x 100 cm panels, frameless and with magnetic fixing. It allows large writing surfaces by joining modules vertically or horizontally, adapting from a single unit to covering an entire wall.

Its special finish with additional polymer (PET) surface protection makes it ideal for high-use environments, ensuring continuous writing, minimal maintenance, and maximum reliability.

Main materials

Surface made of 0.7 mm thick sheet steel.

Additional surface protection made of PET.

Accessory tray made of 0.7 mm thick sheet steel.

Fixing by means of magnets.

Back made of 0.6 mm thick sheet steel.

Mounting template made of corrugated cardboard.

Main features

Modular board without surrounding frame.

Vertical and horizontal mounting possible.

Modularly extendable for individual size adaptation.

Suitable for paper holder accessory RD-6430.

Very easy installation.

Product certified with the GS mark.
